NESTY

Internal Visions

Naughty Nesty needs dick right fucking now. She wants to feel a hot shaft deep inside her, buried to the hilt, throbbing and pushing in and out, just waiting to cum. With every stroke of her fake cock, Nesty imagines her man grabbing her hips and shoving his meat harder and faster until she cums harder than ever. Her pussy jacks him off as she grinds her hips, sucking out every drop of spuzz he's got. And just like that, they're both spent and she's watching the spooge drip out of her slit. Imaginative girl, isn't she?

GIRLFRIENDS FILMS
FOR FINE FOLKS WITH GOOD HEARTS AND CURIOUS MINDS
Me and my Girlfriend
Episode Seven
DVD INCLUDES 4 GIRL/GIRL SCENES PLUS BONUS SCENES

The day begins outside at a hilltop mansion in the heart of Los Angeles. Sprawled out on a chaise lounge like fine jewels are Elle Alexandra, a sensational redhead, and Aspen Rae, an astoundingly lovely brunette. Already deeply enthralled in a lover's embrace, it becomes quite evident that these girls can't wait for action to be called to their scene. After a few more moments, their time to shine has arrived.

"I could spend all day laying out here with you," Aspen purrs, giving her sexy girlfriend a kiss down the nape of her neck. Moving her luscious red hair to the side, Elle provides her lover with unobstructed access to her soft skin and sighs, "Let's snuggle and watch the sun go down."

Although it's a fantastic offer, it seems as though Elle really had another, more hands-on activity in mind. Soon, Elle is mounting Aspen and is happily grinding her pink panties into Aspen's crotch. As their tongue dart back and forth, Elle continues her descent down Aspen's natural body. After kissing her naval, Elle takes it upon herself to remove Aspen's wet panties, later shoving them into her own mouth. It's a sexy display!

Once Aspen's bra is also removed, Elle places her brunette plaything into a deep-set doggie, smacking the edges of her ass with her turquoise colored bra. It's a playful display that really sets the tone for the rest of their scene. After a few preliminary licks of her sweet pussy, Elle places Aspen on her back and gets to work between her thighs. With a wildly roving tongue and plenty of sexy eye contact, the chemistry between these beautiful women is explosive.

Aspen responds to her lover's amorous display by spreading Elle's legs to near snapping point so that she can admire the curves and contours of her pink pussy. Paying extra attention to please her clit, Aspen latches onto Elle's bud and doesn't let go until Elle fills her mouth up with trickles of her yummy love liquid. Yes!

As that scene draws to a close, we are back inside the mansion to witness Vanessa Veracruz literally seducing the pants off Catie Parker. The aggressor from the start, Vanessa grabs Catie's pretty face and begins tangling their lips together until they are fused into one heavenly mass. Soon, Catie's porcelain skin is stained with pink splotches from Vanessa's bright red lips. The look is raw and very hot!

Finally taking the reigns, Catie lashes out and places her Latina lover in a languid doggie position. Taking her place behind her lusty lover, Catie tugs on Vanessa red thong panties with her hands and then her teeth. After creating an unbelievably erotic camel toe display, Catie slides Vanessa's

goopy panties to the side in order to get some tongue-on-cunt contact. It's animalistic and intoxicating!

Once she gets her first taste of Vanessa's hot sauce, Catie opens her mouth even wider and begins chugging over Vanessa's hot pocket like a Hoover vacuum cleaner. All the while, Vanessa is cooing and squirming in place, trying to get the most sensation out of Catie's long, probing tongue. "Go deeper," Vanessa requests, resting her head against a luxurious fur blanket, as her cocoa brown eyes roll to the back of her head.

Responding in kind, Vanessa pulls Catie by the legs until she is at the edge of the bed. Once there, Vanessa spreads Catie open like a wishbone and begins getting her fill of Catie's creamy coochie. Really making an effort to keep a constant rhythm by implementing expert sucking motion, Vanessa proves that she's clearly no stranger to pleasing women. In time, Catie's chest begins to redden and her nipples pop up like pencil erasers. Folks, she's almost there. After a few more moments, Catie explodes with an orgasmic rush that coats the fur blanket with evidence of her blonde ambition. Resting against one another, these girls leave their scene happy and out of breath.

As the day moves forward, we find Chanel Preston stretched out across a white bed, wearing sexy black and red lingerie. Slowly walking into the bedroom, Kortney Kane, another beautiful babe, is stopped dead in her tracks when she gets one look at her exquisite lady lover. "You are so fucking sexy," she smiles, continuing to admire the way Chanel's thong panties are riding up the crack of her ass. "I bought this outfit just for you," Chanel flirts, rolling over onto her stomach so that Kortney can get a look at the way her lace bra is hugging her fat titties.

Soon, Kortney is draped all over Chanel's body like a second skin. Completely worshiping her lover with her hands and mouth, Kortney doesn't seem to miss a single speck of her perfect playmate. "I like you rubbing me," Chanel sighs, really warming up to Kortney's soft and caring touch.

After plenty of body worshiping has ensued on both parts, Kortney contorts Chanel into a doggie spread that leaves her asshole blooming. Unable to decide which hole she'd like to lick first, Kortney simply closes her eyes and goes in for the kill, tackling both holes at once. Preferring her anus, Kortney spends ample time lapping up Chanel's perfect pucker, making it a point to wedge her tongue in as deep as possible.

After Chanel comes, the ladies reconfigure themselves into a sultry 69 arrangement that leaves Kortney on top. With brilliant camerawork, we are given an unobstructed view of both mouths in deep, hardcore action from both ends. Really getting into the groove of things, Chanel does all she can to spread Kortney open with both hands. With her small hands on either side of Kortney's trim butt, Chanel forces Kortney open so that she can get a deeper connection with her insides. Chanel's winning effort makes this one of the hottest displays featured in this entire production!

The final scene of the day has Cherie Deville walking in on Kendall Karson napping in her dorm room. Completely turned on by Kendall's sexy curves, Cherie examines every inch of her body with her bright blue eyes, lighting up at the sight of Kendall's yellow bra and panty set. Unable to resist her young lover any further, Cherie comes over and secures Kendall's cute toes into her mouth. Making it a point to suck and lick each one, Cherie is here to let Kendall know that she will be worshiping and pleasuring the entirety of her body this afternoon. Cooing with excitement, Kendall watches as Cherie dances her lips around her smooth arches, later watching her make her way up her long legs. "Keep going, baby," Kendall smirks, knowing exactly where Cherie is headed.

Eventually, Cherie makes her way to Kendall's gorgeous coochie. Peeling her yellow panties down her legs like banana skins, Cherie finally secures her mouth between Kendall's wet and warm center. With loud smacking and slurping sounds streaming from Cherie's mouth, we can all assume that Kendall is fucking delicious!

When it's Kendall's time to pleasure her more experienced lover, Kendall has Cherie sit on her face. With her mouth fully engulfed around Cherie's pussy, Kendall holds her breath for several seconds, licking her darling from the inside and out. Eventually, she's forced to break away and come up for air but not for too long. In a matter of moments, Kendall's back at it.

Once this display is completed, the girls lock their arms and legs around each other, churning their clits together until their pussies French kiss. With fluid rocking and grinding motion, these two delightful darlings continue their skin show until each bursts with an orgasmic release that dampens the blue bedding below them. Wow! What a way to end the day.

As usual, Girlfriends Films demonstrates premiere erotica with this latest offering that features eight of porn's most beautiful starlets, all coming together to create this lipstick lesbian extravaganza. Offering the most scintillating displays of ripe tits, plump lips, and juicy clits that girl on girl enthusiasts will certainly covet; this gem is of the highest quality. Made even stronger by the inclusion of glossy photosets shot by esteemed photographer, Tammy Sands, this seventh installment is enticingly visual and artistic, while still maintaining a hardcore edge. By any unit of measure, the results are nothing short of provocative. Undoubtedly, we think you'll agree!

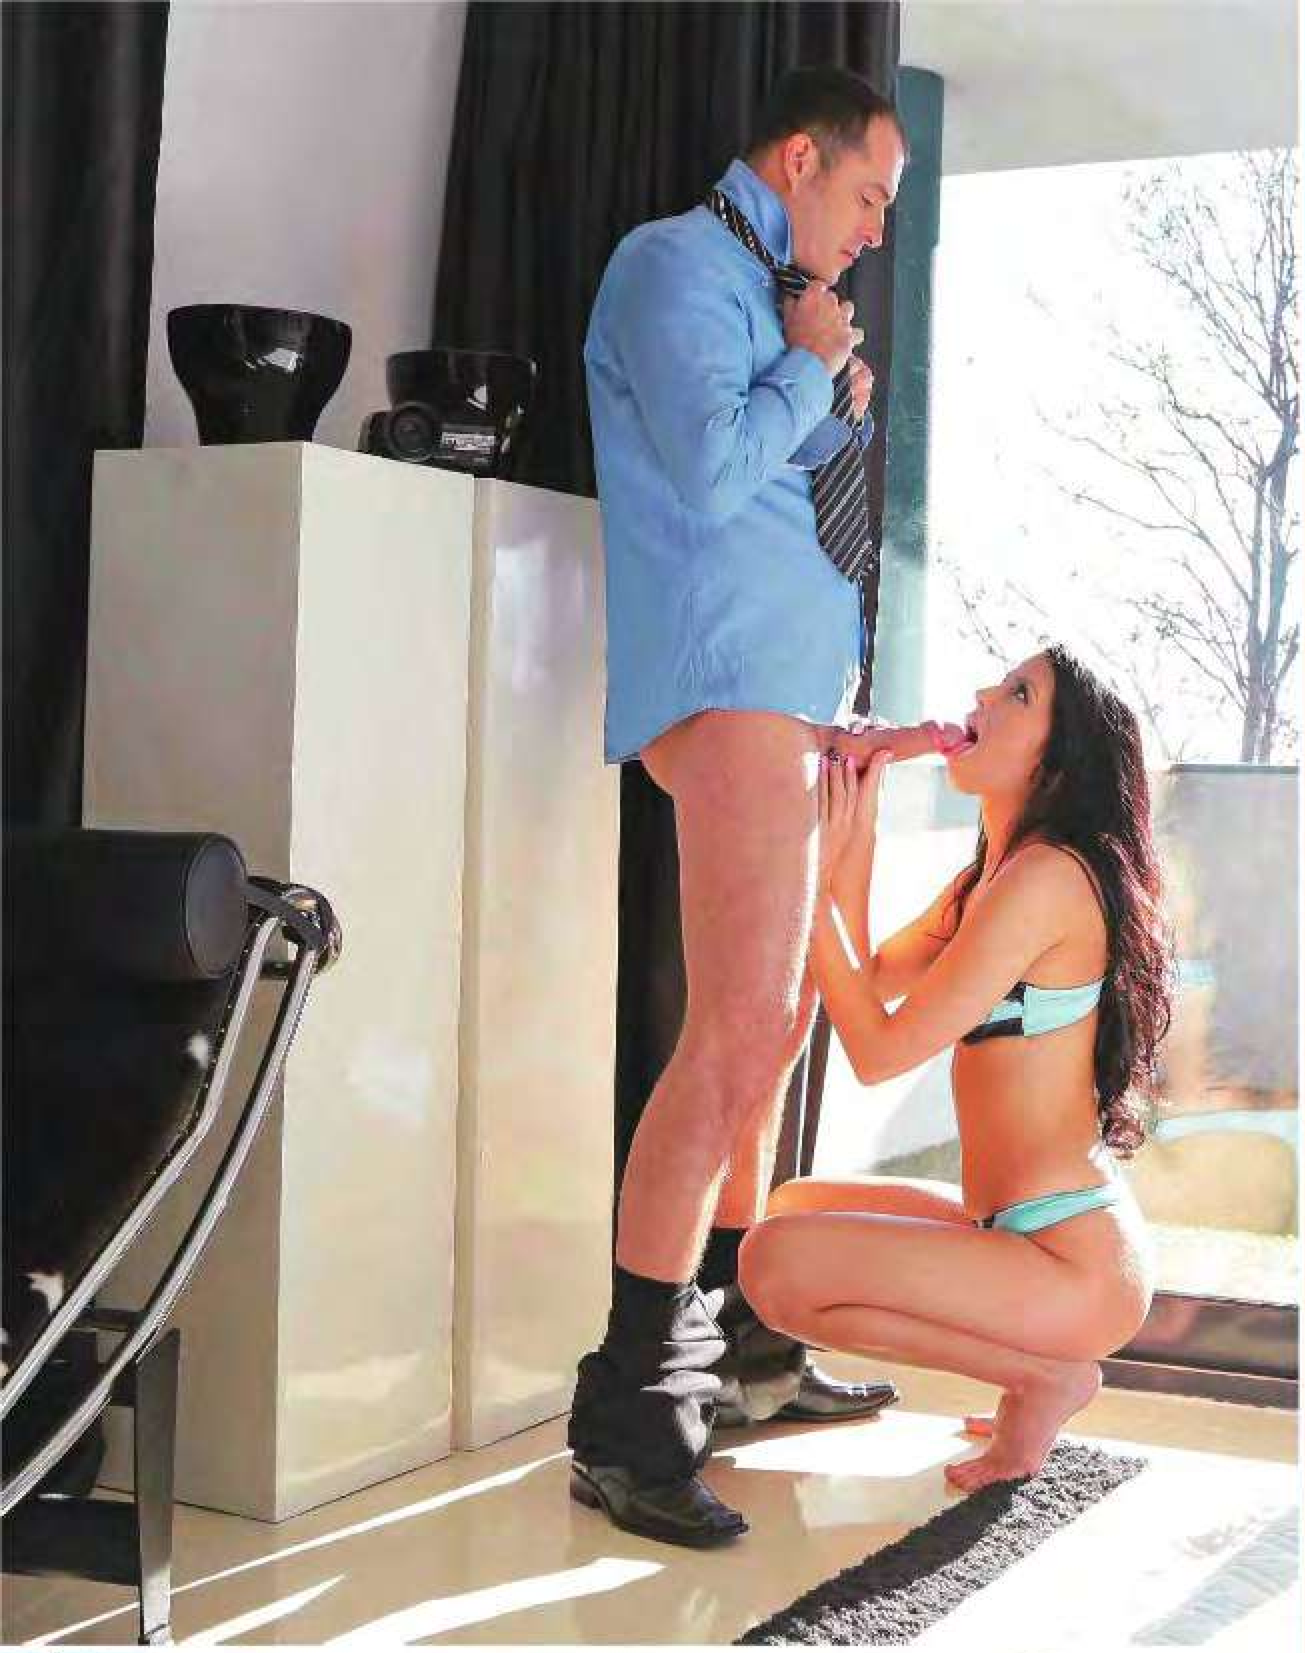
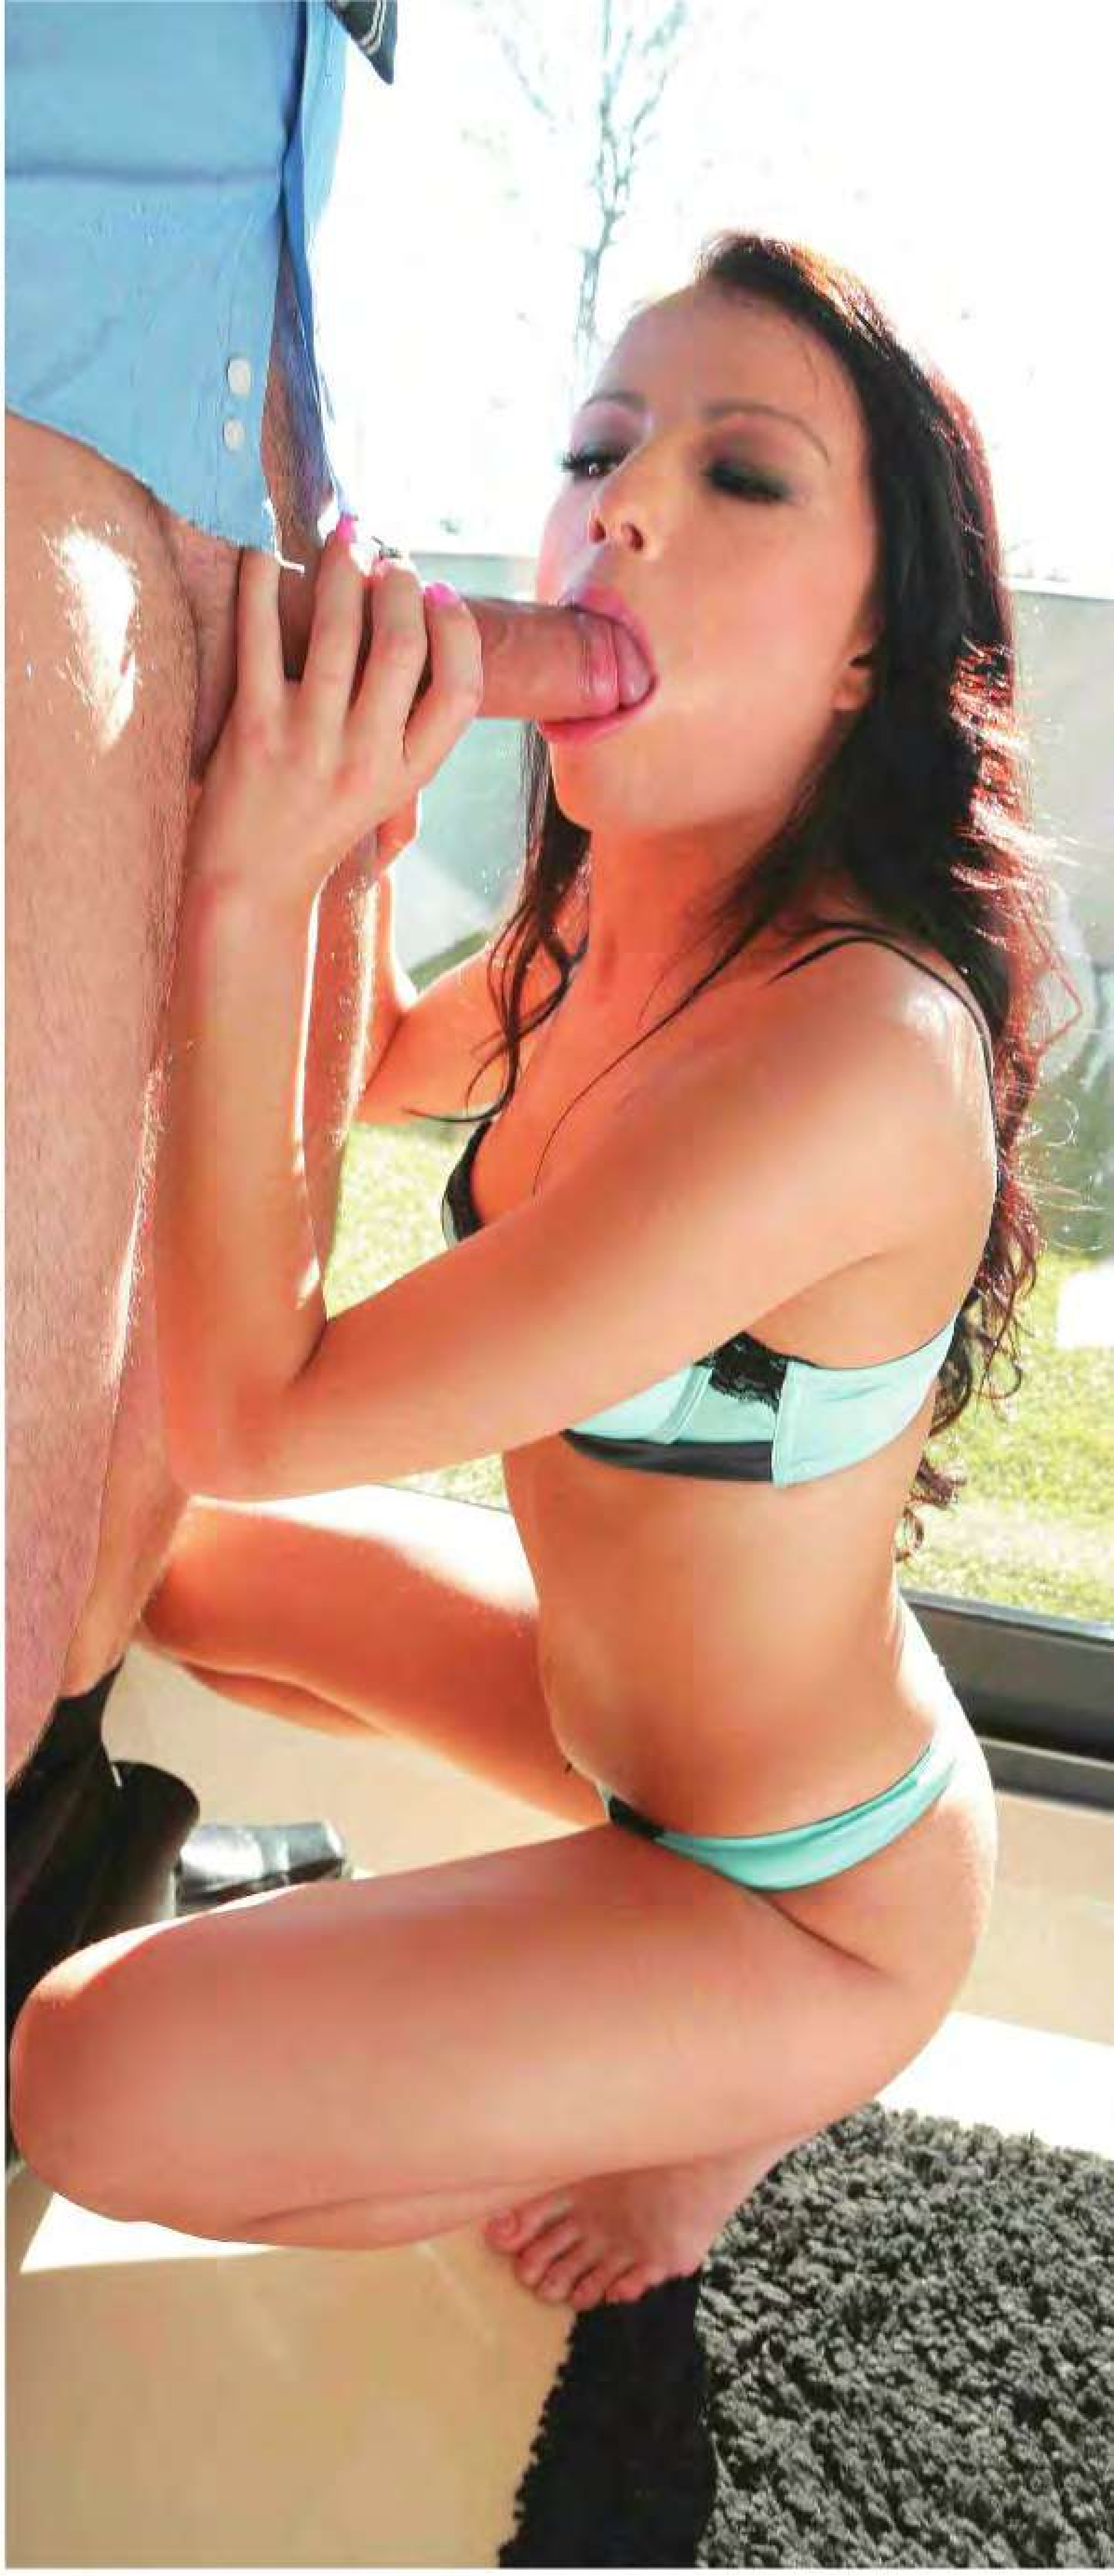
SAMANTHA

Backdoor For Breakfast

34253





Successful businessmen know that a good day depends on a great start. For Samantha's man, being supportive of his lengthy work hours and incredible desire for buttfucking is the only way to keep him going as he makes his crazy money. She knows that a quick anal invasion will keep his mind focused on the money rather than any tight skirt wearing hussies that may be lurking for a man in his position. A loving ATM cum slurp is performed and her man is off on another fantastic day! Great work, Samantha!

INTERVIEW WITH A PORN STAR

Pro Banger From Planet XXX!

NO-HOLES-BARRED BUTT-SEX PRINCESS GIVES YOU THE LOWDOWN ON HER FIRST TIME, HER INSANE ASSHOLE INTAKE ABILITY, HER DEEP THROATING FUTURE AND WHAT KEEPS HER CUMMING!

Interview by Emma Edwards

You have a few sexy tattoos. Would you please tell us about them?
I have a quote on my right hip. It's a quote, which reads, "All that is gold does not glitter." I don't like the placement and want to get it removed. On my left side, I have a large Alice In Wonderland image. If I remove the tattoo from my right hip, I'll look as if I don't have any tattoos from the front. Also, if companies prefer working with girls with no tattoos, they can shoot me from my right side instead.

Do you not enjoy your tattoos?
Well, I never thought I'd get into the porn industry, so I never really considered how all of my random tattoos would look. I'm an in-between kind of girl. I don't have as many tattoos as some girls, and more than others. Most people don't know how to categorize me sometimes.

When did you join the adult industry?
I'm about to hit my three year mark. Time flies.

Wow, we didn't realize you've been in porn for so long?
For most girls, it takes about a year or two before people start recognizing you. I have been a very busy girl though. I've been in several great projects.

Did you have a strict upbringing?
I grew up in a very strict household. I was a female, so therefore I couldn't have a boyfriend. I couldn't have piercings. I couldn't have tattoos. I couldn't go out and explore the world. Once I turned eighteen, I went nuts!

Nuts? How so?
I lost my virginity at eighteen. I said to myself, "Ah fuck! I want to get this over with!" Prior to porn, I had sex with nine people. I thought to myself, "If I'm about to hit my double digits, it might as well be with someone who knows what the fuck they are doing." Truth be told, the tenth guy I ever fucked was Mr. Pete.

You're also a girl that does it all! You do anal, interracial, group sex, fetish, and everything in between. Did you start your porn career with a big bang?
My first scene was anal! It's the scene I just mentioned, with Mr. Pete. It was for a Burning Angel movie.

Wow! Was he rather aggressive for your first time out?
Yeah, he's an aggressive performer but I had a fantastic time with him. No one forced me to do anal. I couldn't wait to do it. I didn't have any issues. Mr. Pete was a good time for me.

Prior to porn, what did you do?
I lived in Chicago and did some stripping. I also started web camming and doing erotic nude modeling. During those shoots, I would play with my asshole a lot. But, at that point, it was only with fingers and toys.

Of the nine guys that you had sex with prior to Mr. Pete, were any of those anal encounters?
No! I had never had anal sex before with any man. My first anal sex scene with Mr. Pete was my first time having anal sex ever!

Do you think you naturally have an asshole that is primed for anal sex?
Yes, my asshole can take a whole lot. I like dirty sex. I don't want to have any holes barred when I'm fucking. I want my guy to fuck me in the pussy, then pop his cock into my ass, and then into my mouth. I want all of my holes to be stuffed. It's kinkier for me that way.

Do you prefer anal sex to vaginal sex?
I prefer vaginal sex in my personal life and anal sex on camera. There are some people that I perform anal sex with off camera that are great. But, for the most part, most men in my personal life don't know what the fuck they are doing as far as anal sex in concerned. I'll let the trained professionals handle my asshole. They've practiced enough times so that their technique is perfect.

Whom do you enjoy working with the best?
I enjoy working with Manuel Ferrara and Prince Yahshua. Both of those guys are very sexy. James Deen is another favorite.

You only mentioned men. Do you enjoy lesbian sex too?
I probably prefer working with girls over guys. I love lesbian sex. I'm extremely bi-sexual. I started having sexual feelings for girls in my teens. I've always been attracted to girls and started messing around with them in my later teens. I enjoy both guys and girls. There's just something about girls that makes me so hot. They are so beautiful. They taste good. Girls make me horny.

Do your fans have a preference?
A lot of my fans will comment on loving my boy/girl scenes, but will say that I really bring it home when I'm fucking girls.

What type of girl do you like?
I don't prefer blondes. I like brunettes. The only blonde I do really enjoy though is Ash Hollywood. She's very sexy and spunky. She really loves pleasuring girls. I prefer girls that are intelligent too. Stupid girls are so annoying. Really, I'm more focused on chemistry rather than just looks. I also enjoy people who are funny and can make me laugh.

Which starlets are you attracted to?
I really can't say because I love them all. Some of my favorites have been Maddy O'Reilly, Skin Diamond and Ash Hollywood. Actually, I consider Ash to be a blonde version of me. Those girls really LOVE fucking other girls and it shows. They are amazingly sexy. It's really all about crazy, naughty, spunky girls for me.

With all of this lesbian talk, it only seems natural to talk about your clit.
I have a very small clit. I always have to tell people that they have to be really soft with me. That's the only way I'll actually feel something. You can't go in there and get all crazy on me. It won't work. I also enjoy finger play, but to tell you quite truthfully, I really don't like having oral done to me. It's a fun form of foreplay, but I can't bring myself to come from oral sex.

Really? So then, what makes you orgasm?
A vibrator or a Hitachi wand makes me cum. Another way for me to cum is if I'm stimulating myself while someone is fucking my ass.

Do you have a particular oral technique?
I'm very gentle with girls and use lots and lots of slobber. I also ask about people's do's and don'ts before I start. Although I don't really enjoy girls with large pussy lips, sometimes it is cool. I like sucking on them. I'm very spitty and love salivating everywhere.

Can you deep-throat?
I can't really deep throat. I wonder if my tonsils are holding me back. I can deep throat some cocks, unless you are stacked like Prince Yahshua. I can't deep throat him but I can definitely suck his dick.

Standing at a mere 4'11" and only 105 lbs., we're impressed with the size of cocks that you can take.
I have very womanly hips, so I'm able to be fucked pretty well and very deeply. The only issues I've ever had with a cock in my ass was Lexington Steele's cock. He's huge, big, and long! Fucking him is so outrageous, you have no idea. I can't even explain it. He's the only one that I sort of had complications with. When I work with him again in the future, I'll be more prepared mentally and physically. Realistically speaking though, 60% of my weight is all in my ass. I feed my booty and then I feed myself.

Well, Lex's cock is basically 4'11", so...
I would definitely agree with that. *(laughing)*

Speaking of your glorious ass, what else do you enjoy having done to it?
Aside from having my asshole stuffed full of cock, I love anal prolapsing and rose budding. It's not something that you're supposed to do on a regular basis, but it is hot. I enjoy people licking my rose bud. It turns me on!

You did a really hot scene with Lisa Ann in *Lisa Ann Loves Girls* (Lisa Ann Productions). How was that experience?
It was great! We had really good chemistry, although she doesn't like spit. Lisa Ann is awesome. She is the most exquisite, smart female performer I have ever met. Many people have told me that I look like a mini Lisa Ann. To all of you who think that, I'll say, "Thanks!"

You have a racially ambiguous look that is hard to pinpoint. What ethnicity are you?
I'm a mut. I'm Syrian, Russian, Armenian, and Turkish. There's a lot going on with me. I want to find out exactly what I am. Eventually, I'll go out and get one of those DNA tests done on me. I think that would be very interesting. Until then I'll simply say, "I'm not from this planet. I'm from Planet XXX!"

Sexpats: Thailand SEX SCENE

ON THE ROAD
BANGKOK, THAILAND

Article and photos
by Dan Howell

Bangkok conjures up exotic images of excess from its reputation for sightseeing and sex, as a relief port for GIs fighting in nearby Vietnam in the '60s and '70s. While not the birth of the sex industry—the influx of horny Western men with money fueled it's growth and thrust the expression, "Me love you long time" into American vernacular. The current reality is somewhat less hedonistic in the cosmopolitan city of over 11 million, but there is still a thriving sex scene that can be had, if you know where to look.

Today's pleasure industry is centered innumerous massage parlors, beer bars, and GoGo clubs of the Sukhumvit district. Almost anything can be found for a price—and the price is not very steep. Three nightlife districts catering to Western men: Nana Plaza, Soi Cowboy, and Patpong—and each area has it's own flavor.

All districts house a endless supply of exotic beauties—mostly in their 20's—but some as young as 18. Pretty faces and smoking hot bodies to the left, right, and center in the clubs, bars, and parlors—sporting a small numbered badges indicating they're available for private entertaining—even the waitresses and bartenders for the right price. Plus, numerous freelance girls hang out in these areas and the more traditional nightclubs of the "throbbing" Sukhumvit who are available for visits to hotel rooms for passionate play.

Many come from the poorer Isan region of Thailand to earn money by enticing men to buy them pricey "Lady Drinks," or convincing patrons to take them from the bar for a "short time" or "long-time" for some boom-boom fun. Men must pay a bar fine to the house for the loss of their dancer, and are also required to pay, in order to play with the girl, according to the amount of time they spend together.

For my adventure, I wanted to taste as much of the sumptuous fruit that was offered—short of lady-boys, that is. Gogos, massage, freelance...I was game for it all.

I started at the famous Annie's Soapy Massage, which could just as easily be called Two-Pop Annie's. Like all soapies—the striking feature about Annie's is

the human fish-bowl of masseuses waiting to be chosen by clients. Thai beauties from their early 20's thru mid-30's, all in the uniform of the day—all-black bra, micro-shorts, fishnets, and heels were waiting in the fishbowl. They advertise 80 models per day across two shifts of workers, though only a fraction were present. All of the women are identified by number, and even Annie's website eschews names in favor of numbers. Still there were more than two-dozen to choose from. I selected #22.

Ah yes, #22 is a cute spinner from Isan, relatively new to the sex scene. She joked that she has a formal certificate in massage therapy, but her sex skills were learned outside of the classroom. She led me to a private room and prepared it for the "Therapy session," wherein she filled a tub, and then washed both of us on a foam mattress. Accommodations at Annie's reflect an Asian stature rather than a Western one—hence my large frame was cramped on the tiny mattress.

Once fully lathered, #22 went to work on my back with vigor—both relaxing and stimulating. With a healthy dose of suds growing, she started sliding her pussy up, down and all around me, providing exquisite pressure. I'm not sure if that if technique is taught in most massage schools—but it certainly was effective. Even more so on the flip, where I enjoyed the gyrations of a skin-to-skin lap dance. After the muscle stimulation and a quick rinse, she went straight to work on a rousing blowjob with plenty of manual stimulation of my balls and butt. Pop number one from #22.

In the tub, she worked over every part of me, and started a splashy hand job. Once she got the motor running, she posed a tough choice—pop number two in her mouth right there, or towel off for a good fucking on the bed? Though her mouth was appealing, I chose the latter, and after mutually toweling each other off—a passionate make out session turned in to porn star fucking with reckless abandon. Good ol' #22 had the face of an angel, but the body and moves straight out of a world-class strip club. I was the pole and she was dancing all over me. She is either a skilled actress or she actually enjoys her work—really, *really* enjoys it.

Annie's fun time is both relaxing and exhausting, but certainly worth the trip. Like many experiences in Bangkok, the cost for two hours of paradise is about a quarter the cost of similar in the U.S.

With some great food and a comfy hotel to recharge, I rallied for a night on the town—this time at Nana Plaza. I found myself at the aptly named Angelwitch, an alternative to most GoGo clubs, by playing rock and metal music rather throbbing disco. The club promotes a quasi-fetish atmosphere with leatherette bikinis and black lingerie on the dancers and (faux) lesbian shows on stage. Angelwitch promises to rock your world.

A petite dancer who caught my eye joined me as she finished up her rotation at the pole. Talking is difficult in dark and loud clubs and most dancers have only limited English, but Jum was a decent speaker. Of course, I had to buy her a lady drink or two, but it wasn't a hassle, since she easy on the eyes, and practically had her hands down my pants.

As new dancers took the stage, she casually pointed to the prettiest one, indicating she was her 'baby' sister. After the song finished, sister Poy joined us for more drinks. The thought of taking

Nana Entertainment Plaza is sometimes referred to as the largest sex complex in the world; basically a shopping mall of sex. Structured as a three floor arcade in a U-shape—Nana offers bars and GoGos on all sides and short-time hotel rooms behind the scenes. With several bars featuring assortments of young, Thai beauties, first-time visitors should be aware that there are some Kathoey or Ladyboy bars full of deceptively sexy transsexuals who aggressively draw customers into their bars—many in for a big surprise.

Soi Cowboy is a tightly packed alley off a main road with beer bars and GoGos on both sides saturated with an electric rainbow of neon lights advertising each club. Named for an American GI who opened one of the first bars there in 1977, and famously wore a cowboy hat. Scenes from motion picture, *The Hangover 2* were also filmed in colorful Soi Cowboy. For the most part, the beautiful girls working in Soi Cowboy are, in fact, girls. With famous clubs like: Tilac, Baccarra, Déjà vu, and Suzy Wong's that feature dozens of beautiful, young, Thai girls dancing topless on stage or hanging out in booths with customers from all over the world.

two sisters home with me flashed thru my mind the instant Jum pointed Poy out. Soon, I had one on either side of me in a cozy booth with my hands between their legs. It didn't take too much longer for my plan to come to life. I popped the question to Jum, and it was on.

Jum is more of the talker with a poised and playful disposition, as her features were incredibly beautiful, with auburn hair, brown eyes, and a slender body with pointy nipples on cute A-cup breasts. Poy, however, is the stunner, with the beauty and proportions (if not the height) of a fashion model. Neither had been working long, and it was the first time they been to the boom-boom room together. Not surprisingly, they don't perform on each other, but on that night, they seemed happy enough passing my dick between them.

KISS
Cowboy

They peeled out of their black lingerie, and we shared a crowded shower and bounced off to bed. I was kissing Poy while her sister sucked my dick. Then, Poy was on my dick and Jum's tits were in my mouth. That should have finished me right there and then, but Poy moved over me with my face buried in her neatly trimmed pussy, while Jum got back between my legs in a human chain. It was more than enough to get me off, but I contained myself in order for some passionate fucking with Poy while kissing Jum. As things heated up, I knelt between them with my fingers inside both girls, bringing them to a boil. After I good round of fucking each of them, I couldn't decide who to shoot my load in/on—so I just wove their limbs together and let loose on both. Smiles all around.

Over at Soi Cowboy I killed some time at Baccara A GoGo sitting on the first floor looking at topless angels dancing while looking up thru the glass floor at the bottomless beauties on the second floor. With a headful of steam, and my wallet a few lady drinks lighter, I went next door to Shark A GoGo—a young cutie pulled me in and promised me a hot dance. I was about to bar fine her, when an even cuter colleague dropped her top and danced on stage.

With some sharp negotiation, I switched the bar fine to Baby, and we were off to the boom-boom room upstairs. Baby had farm-fresh sweetness to match her cherubic face, as if she didn't notice that she had a body built for driving men wild with firm round breasts, tiny waist and neatly trimmed bush. While she didn't have

the skills of a seasoned pro—she had an authentic enthusiasm for her work, and was quickly sweating as much as I was as we ground to a shrieking-grunting climax (she shrieking, my grunting) together on the bed. Not a great English speaker, Baby made up for it with hugs and kisses as we parted happily.

The next night, I decided to push my luck and return to Nana Plaza, this time, to Rainbow 4. I guess it took them three tries before they finally got to the pot of gold. The club must have the record for the greatest number of beautiful dancers on the smallest stage, and it is easy to become jaded view hot body after body, beauty after beauty, but dancer Jeang had other ideas.

My eyes were glued to her from the first instant I saw her. Easily the prettiest bar girl in that room, she remains the prettiest bar girl I've ever seen. Once she noticed my appreciation, she gave me virtually a private dance in a crowded room. After her stage shift, she floated over to my table for more smiles and drinks. I knew exactly how I wanted this evening to end, and it wasn't too long before I had her in a cab on the way to my hotel.

Off stage Jeang was more petite and delicate—like a young Lucy Liu with long, curly hair, tiny features, and perfect skin. I had seen her flawless breasts and tight nipples as she danced topless on stage, but she looked even better naked in my hotel bed. With the strength of her dancer legs, she mounted me like the pro—grinding to her own rhythm with me hard and far inside her gorgeous trimmed pussy until I couldn't take anymore. I pick her up, spun her over for some hard fucking until I popped. As with any great short time, it ended far too soon. As Jeang made her goodbyes, I vowed to see her again.

I remained intoxicated by Jeang's beauty and returned to Rainbow 4 the next night, but to my dismay, she walked straight past me and into the arms of another bloke who had just bar fined her—whisking her away.

Disappointed by Jeang's short memory, I left in a huff, and it took me a while to realize that even a top-notch performer such as herself is stuck in a seemingly endless "Groundhog's Day" or maybe I was the one who was stuck? However, Thailand is known as the Land of Smiles, and it didn't take long before I started noticing all of the attractive, if slightly older, Thai women flashing smiles in my direction as I walked around Sukhumvit.

Tall and tan Nang—a freelancer on Soi 11—politely asked if I was seeking company, so we walked the short distance to my hotel getting to know each other. In her mid-30's, Nang looked more like a happy-hour professional at the outdoor bars than that of her fellow freelancers who took the guise of lacquered club girls out for a hot night. She was just what I needed to take my mind off of Jeang.

I was happy to take Nang back to my bed with her long fit, legs and small, but nicely curved breasts with dark brown nipples. She certainly knew what she was doing—but in a way that exuded confidence rather than over use. While she certainly had more years in the game than the hottest young bar girl—she had not spent her life walking the streets, and still took to her work with abandon. Soon, we were tangled up with each other and found a groove. I was buried deeply inside her, and she was holding on to me like we were going off a cliff. We had a laugh at the amount of energy we burnt off and curled up together catching our breath.

Tips when traveling to Thailand

- **Check the web for "guest-friendly" hotels—ones who will not refuse admission or charge extra for bringing back bar girls or freelancers.**
- **Don't be surprised when hotels ask for the bar girl or freelancer's ID card to hold. This protects you and the hotel.**
- **Don't take suggestions from taxi or tuk-tuk drivers for massage or ping-pong shows. Drivers get a cut of the inflated door charge. The hottest girls are at the biggest clubs, which are easily found.**
- **Lady-drinks are half the size and twice the cost of your drink. They can add up to big bucks if you don't pay attention to your tab.**
- **Yes, foreigners get charged more for a variety of things and it's pointless to argue.**
- **Some massage parlors are just massage parlors. Ask first.**
- **Extremely aggressive bar girls and those who flash their tits and pussy—especially outside clubs—are likely to be lady boys.**

ADRIANA CHECHIK

One Crazy Fucker

TART OF THE MONTH

34347

Being in porno is one thing. Being a living legend in porno is totally different. For Adriana, stuffing her cunt and asshole is like winning the World Series, the Super Bowl, the World Cup and the Indy 500 all in one. "I can't wait to stuff my holes like the champ that I am," Ms. Chechik confides. "I want to be triple stuffed every time I get in front of a camera! Fill every one of my holes with as many cocks and cum as you can! Don't worry; I can take it!" Legendary, indeed.

MY FIRST JOB ⚡⚡⚡⚡

(Third Degree Films) Starring: Bonnie Rotten, Sara Luvv, Madelyn Monroe, Aaliyah Love, Luna Star

Entry-level starlets prove their sexual skills when seducing their potential employers into hardcore play in this fun-filled release that showcases dysfunctional work relations. What these raunchy recruits lack in shorthand, they definitely make up for in sexual acumen that is well worth a healthy raise! In the hopes of earning money to get more tattoos, Bonnie Rotten interviews with John Strong. After he's given a personal tour of her ink, John splices through her hot pussy in several positions, causing her to squirt throughout. Guess we can assume that Ms. Rotten got the job. From here, we find Sara Luvv doing a bit of psychoanalysis on Mark Wood when he disqualifies her from the available job. Once she assesses that he's in need of hardcore sex, the two bang like drums across his desk, proving her point. Later, it turns out that the only skills that Madelyn Monroe has to offer her potential employer is pole dancing. Unwilling to take no for an answer, Madelyn dances for Anthony Rosano before allowing him to fuck her tight pussy, doggie style. Luna Star is another starlet that eagerly shows Will Powers her true worth, although she doesn't prove the point quite as well as Aaliyah Love. Once connected to Logan Pierce, Aaliyah showcases her expertise, one pussy stretching position at a time!

BLACK LISTED 4 ⚡⚡⚡⚡

(Vince Vouyer Unleashed) Starring: Mia Austin, BiBi Noel, Marica Hase, Mena Li, Kimberly Kendall

Black and stacked, Jovan Jordan, a proven porn stud, is out on the prowl with the forth installment of this black-on-white offering. Perfectly collecting five hopeful hotties, director Vince Vouyer captures plenty of dynamic drilling in this impressive interracial release that IR fans will love! Eager to join the black list, Mia Austin proves the point by blowing Jovan's joystick. Once she's finished worshiping his thick set, she arranges herself in pole position, experiencing the joyride of her life atop his black boner. After revealing that there isn't much black cock to be had in Eastern Europe, BiBi Noel is anxious to get her fill by gagging on Jovan's black gavel. With an impressive pussy that is just as wet as her mouth, this dirty blonde shows off her well-developed sexual acumen. Anxious to wrangle with the BBC, Marica Hase stuffs her face full of Jovan's dark meat, slobbering down the sides like a puppy. Once she's had her fill, she enlists the help of her tight pussy, ending their scene with a mouthful of chocolate milk. Mena Li also does an excellent job at wrangling Jovan's joint, but not as well as Kimberly Kendall. Clearly, a fan of big black cock, Kimberly earns her spot on the top of this *Black List* by demonstrating superb pole-pounding skills.

KITTENS & COUGARS 7 ⚡⚡⚡

(Zero Tolerance) **Starring: Jessa Rhodes, Helly Hellfire, Charmane Star, Kiera Winters, Abby Cross, Aaliyah Love, Nine Elle, Payton Simmons**

In order to determine who has the strongest sexual prowess, some of adult's friskiest felines converge in director Mike Quasar's satisfying production, offering you plenty of sexy kittens and kinky cougars! Wanting to tear into her young lover, Aaliyah Love practically mauls Abby Cross when they connect. Hungry for a bite, Aaliyah attacks the curvy co-ed, going straight for her titties. Later, she smears Abby across her bed, cooling off her teenage twat by providing deep lashes from her wet tongue. Sticky! Next, we find Charmane Star seducing Kiera Winters. After some hot mouth-to-mouth and tit-to-tit contact, the girls spend ample time devouring each other's pussies from the inside out, leaving both beavers bubbling with butter. From here, Jessa Rhodes and Helly Hellfire, two dirty blondes, go at it like cats in heat. After untying Jessa's panties, Helly gets to work. With audible slurping action, Helly doesn't hold anything back. With an outstretched tongue and plenty of fingers, Helly stuffs Jessa full, causing her to squirm against the sofa like an air popped balloon. The final scene of the production has Nina Elle, a tatted up rocker chick, literally seducing the pants off Payton Simmons, a chubby-cheeked blonde. Taking the lead at every pass, Nina directs this sexual liaison from the start. She begins with a series of sensual kisses and ends with a mouthful of Payton's youthful yolk. Yum!

LESBIAN REVENGE ⚡⚡⚡

(Girlfriends Films) **Starring: Bailey Blue, Valentina Nappi, Maddy O'Reilly, Kimber Day, Belle Noir, Carmen Callaway, Kendall Karson, Abigail Mac**

Although the old adage states, "revenge is a dish best served cold", Girlfriends Films has another thing in mind when offering their audience with one hot dish after another. Filled with A-List females and enough slit slurping to make your head spin, these hot lesbians are quick to prove that hardcore has no fury like a woman scorned! After a fun game of beer pong ensues, Bailey Blue and Valentina Nappi retire to the bedroom where they snack on each other's deep-dish pussies. From here, they have fun sucking toes and heating up in the 69 position. Next, after some weird storyline is revealed, we find Maddy O'Reilly and Kimber Day playing out a torrid rape scene that occurred between them the previous summer. This leads to the women fucking each other hard with fingers and tongues, all leading up to a brutal, unforeseen ending. Afterwards, we find Belle Noire trying to convince Carmen Callaway to kill Abigail Mac by offering her pussy in exchange. Carmen takes the bate and completely ravages Belle's curvy body. After each girl gets their fill of pussy, the women take to rubbing each other's pussies to pop. It's a hot scene! This leads to the final encounter that ends with a very convoluted and complicated storyline. Although questionable, the final sex scene between Kendall Karson and Abigail Mac gets right to the point!

SOPHIE & BLUE

Slit Lapping Lovers

Anytime you get two lesbo lickers in one room, someone's cunt is gonna get it. Blue Angel and Sophie Cox were on location for two separate shoots when this all-star lesbo mashup occurred. A quick, how-do-you-do kiss turned into a full-on French tongue wrestler and seconds later, fingers were wet and sticky. Just as our photoman got the camera into position, Blue's tongue was deeply planted into Sophie sweet little cunny. The orgasms erupted as they traded twats and tongues back and forth and then, it was over; time for them to go fuck. What a life!
